- Science

## WORK EXPERIENCE

### Web Development Intern

Bharat Intern, Bhopal

07/2023 - 08/2023

Remote

Achievements/Tasks

- Bharat Intern in Bhopal is offering a comprehensive web development internship. This program focuses on website design, development, and maintenance, providing hands-on experience in HTML, CSS, JavaScript, and website optimization.

### Java Developer Intern

LetsGrowMore, Uttar Pradesh

04/2023 - 05/2023

Remote

Achievements/Tasks

- During my LetsGrowMore Java internship, I honed my full-stack Java skills by developing a responsive desktop application and website using NetBeans and Eclipse IDE. Demonstrating proficiency, I seamlessly integrated the application and website utilizing Java, Swing, Servlets, JSP, and MySQL.

### Java Developer Intern

Oasis Infobyte, New Delhi

02/2023 - 03/2023

Remote

Achievements/Tasks

- As a Java development intern at Oasis Infobyte, I concentrated on crafting responsive designs for both desktop applications and websites. My responsibilities included maintaining and constructing efficient Java code while also assisting in the upkeep and enhancement of existing applications and modules.
